<b>73/16</b>	<b>Apologies for absence and declarations of interest.</b>

<b>74/16</b>	<b>To adjourn for public participation</b>	
74.1/16	<p><b>Public Participation</b> – In Cllr Schofield’s absence, Cllr Parker chaired the meeting and adjourned the meeting for Public participation. Members of the Public raised the following issues:</p> <p><b>(i) Planning matters</b> A member of the Public was concerned that notification had been posted regarding an application for a further 16 caravans to be sited in Firgrove Lane. Cllr Crowe said that the Parish Council (PC) had not received notification of 16 caravans, but had received notification of siting of 8 residential Gypsy sites including parking (Planning Application 16/01951/FUL) and that this would be discussed formally later in the meeting. Cllr Crowe pointed out that the PC could only make Consultee comments as a Parish Council to the Planning Authority (Winchester City Council [WCC]) and the PC had recently done so for previous applications for Firgrove Lane and had requested that the applications be referred to WCC’s Planning Committee for decision. Cllr Parker asked residents to comment upon applications as well so that the Planning Authority could take these comments into consideration.</p> <p>Another member of the Public said that they had met with Cllrs Clear and Cutler to discuss their Planning Application regarding whether to Appeal against their recent Planning Application refusal or to re-submit their application.</p> <p><b>(ii) Police matters</b> A member of the Public said that they had recently been the victims of a Burglary and wished to thank the Police for their help in recovering a car that had been stolen.</p>	
74.2/16	<b>Police Report</b> – there were no representatives from the Police present at the meeting and no report was received in their absence.

Cllr Stallard had circulated her report prior to the meeting. The full report can be found on the Boarhunt Parish Council (BPC) website at <a href="http://boarhuntparishcouncil.org/2016_Minutes.aspx">http://boarhuntparishcouncil.org/2016_Minutes.aspx</a> Items covered in this month’s report were: GCSE & A-Level successes; Greener Highways; Stubbington Bypass Scheme; Dual Carriageway between Segensworth and Titichfield; Zero tolerance to Fly Tipping; Secondary School Places; [Proposed] Boundary Commission changes to County Divisions & Constituencies.	
74.4/16	<p><b>Winchester City (District) Councillor’s Report</b> - WCC Cllr Cutler reported on the following:</p> <p><b>(i) Multi-agency meeting with WCC Cllrs &amp; Officers</b> – met at the end of July to discuss Planning and Enforcement issues with Head of Planning; Head of Enforcement and Cllr Weston (Portfolio holder for these matters) and raised current matters of concern to Boarhunt Parish.</p> <p><b>(ii) Meeting with PCSO Towler</b> – met to discuss lack of Policy for Motorbikes and was working on a joint approach to the matter with Warnford and West Meon parishes.</p> <p><b>(iii) Changes to Management [Senior Officers] at WCC</b> – Chief Executive Officer left end of Sep 2016; Head of Finance also left – new appointments expected soon. WCC Cllr Cutler said that he still had concerns regarding capacity issues at WCC.</p> <p><b>(iv) Other matters</b> – WCC Cllr Cutler said he had also contacted Boarhunt’s MP – George Hollingbery regarding the continuing concerns of Motor Bikes in the Meon Valley and on Boarhunt and Southwick roads; Cllr Cutler said that he had noted that the old SIS Chemicals site had been acquired by Wickham Court and had noticed earth movements, etc. at the site.</p>
