	No written report. County Council will be under a boundary review. 75 divisions within the County. 12,500 in current division and there has been unanimous decision to not reduce the number of the councillors – second highest in the UK per elected member. All divisions have been given projected 2021 figures this will increase to 16,000. All the districts are looking at ways to keep same amount of councillors but distribute electorate amongst councillors. Recommendations will be sent to the Boundary Commission.	
15/16.3	To receive the District Councillor’s report.	
	Silver Hill continues and the judicial review could have some impact on the future. Boarhunt Garage – Complaints about late night working. Enforcement are looking at the issues. Preplanning advice for flats and house and this took some time and response was not encouraging. Environmental – decontamination of the site – report was not compliant to latest regulations. Will not consider application without this report. Local Plan would not consider it as infill as on the edge of the village. Design was also criticised. Hope that a compromise can be reached.
